The Reframe Film Festival celebrates the best social justice films of the year! And it's THE place to be in Peterborough, the last weekend in January!!

This year RWTO/OERO Peterborough Branch, is one of four sponsors for

"Lives Well Lived" Directed by Sky Bergman  
When? Saturday, January 27, 2018 at 11:30 am  
Where? Market Hall

"Lives Well Lived" "celebrates the Secrets, Wit and Wisdom of Age". 3000 years of experience is shared by 40 people aged 75 to 100. The stories of their journeys into old age will make us laugh, perhaps cry, but mostly inspire us.

### Programme

The schedule is on-line, (Reframe Film Festival 2018), with hard copies available after Christmas.

### Tickets

Weekend day passes for all viewings before 7:30 pm, cost \$30 and may be bought on-line or at Green Up (close to the corner on Aylmer at Simcoe).

Evening film showings on Thursday, Friday and Saturday are separate costs, \$15 per film. However, if you have a day pass, there is a 40% discount, hence that cost is only \$9.99.

Individual tickets may be bought at the door and cost \$10 per person.

### Venues of the films

Market Hall, Showplace, Galaxy Cinemas and The Venue.

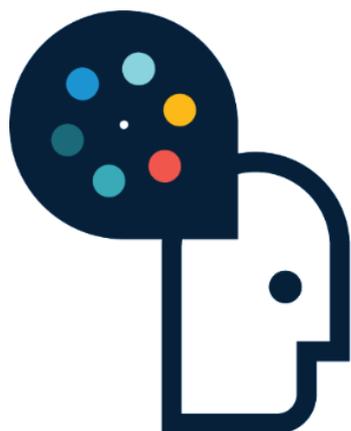

### Post-film discussion

After the screening of "Lives Well Lived", the film director Sky Bergman from Los Angeles, will be present to share her personal inspiration for the project and she will reflect on some of the incredible stories she heard along the way. "Sky is very excited by the local interest in her wonderful film". There will be time for Questions and Answers.

We hope RWTO/OERO members will come out to see "Lives Well Lived." Remember, individual tickets only cost \$10.

Check the schedule, list the films that interest you, their times and venues, then join the throngs moving between the venues to see your film of choice every 90 minutes or so. It's educational and great fun! You see many friends you haven't seen for ages, and reconnect, albeit briefly.
