**IMPORTANT Event Update for Hamilton-Wentworth RWTO Members**

You have likely heard Premier Ford's weekend announcement about the reduction of numbers for social gatherings being extended throughout the entire province.
This has required some changes to our RWTO plans.

* We will **postpone** our Sept. 29th Outdoor Concert at West Avenue Cider House until next spring.

** We have **cancelled** our Oct. 28th Fall Harvest Luncheon at Waterfront Banquet and Convention Center.

***We will continue to offer a series of Zoom workshops, however our Sept. 22nd Workshop with Estate Planning lawyer Heather Watson has been **postponed** until Tues., Nov. 17th at 10:00.

As disappointed as we are not to be getting together to see one another, the health and well-being of our membership, friends and family is of paramount importance.

Please continue to mask, practice your social distancing of 6 feet and remain close only to the same selected 10 in your personal bubble. We must remain steadfast and strong in our battle against covid.

Consider enjoying some of our virtual get- together options, as outlined in our Sept. newsletter and our Zoom workshops. They still allow us to see each other's smiles and chat. Thank goodness this pandemic did not hit us before all this video technology was possible!

Yours in caring and sharing,

Lynn Anderton, President
RWTO Hamilton Wentworth Branch
