

Hamilton Wentworth Branch

2016 November/December Newsletter

...And Here's Hope!

Autumn is here again, with winter fast approaching, along with so many personal family milestones to mark. I first became a mother in November, and my daughter is now a beautiful independent woman. My mother is turning "96" years young, and my three and a half year old granddaughter Ellie is soon becoming a 'big sister' to a bouncing baby girl, ... my baby boy's baby. Where does the time go, we ask,... but perhaps we should think about the many things we accomplished in that seemingly escalated time of our lives, ... and smile, ... be proud, ... and maybe a little energized because there's so much more we want to do. Each and every moment is an opportunity for something special. As Napolian Hill once said, *"If you cannot do great things, do small things in a great way."* Our RWTO Branch is already off to a great start,...with much more in store for this '60th Birthday' year! You won't want to miss a thing!

"Be Our Guest", our year's first event proved to be another big success. Many new members joined our Branch, and had the opportunity to meet our renewing members, our Executive, visit the many creative interest group displays, and share the food, conversation, and fun. Thank you to *Linda Sargeant*, and her hard working team. A most generous collection of toiletries for St. Jean de Brebeuf and Sir John A. Macdonald High Schools' hygiene closets, plus **\$236** in monetary donations for Notre Dame House, proved once again what a *'Caring and Sharing'* spirit our members have. Thank you for your support, and to *Mary McCracken*, our Outreach convener, and her team for their great work.

I'm happy to announce that our **"Third Annual Special Outreach Project"** is now underway with a slight change in format. Last year was a huge success, so once again I remind our members to submit those names of any deserving local cause who meets the criteria. The due date for submissions is **December 14, 2016**. More information can be found in the newsletter, and *application forms* are available on the Branch website: <http://www.rwto.org/branches/hamilton-wentworth.asp>

The October **"Harvest Luncheon"** was enjoyed by all, with **"132"** in attendance, including **"3"** new members who received their RWTO membership pins. *Ursula Vander Ploeg*, our amazing Treasurer, presented our 2016-17 'Proposed Budget' which was accepted unanimously by members. Thank you Ursula! Our guest, ... renown author and speaker, *Catherine Astolfo* delivered an exciting speech about life as a long time educator-turned award winning mystery writer. Thank you to *Lynn Anderton* and the Entertainment Committee for organizing another most entertaining and enjoyable afternoon. Thank you to all our members for your generous monetary donations of **\$1,006**, plus **4 large** boxes of toys and books **split between** the Children's Aid, and Catholic Children's Aid Societies!

'Membership participation' continues to be my goal. Last year I was so pleased to receive your wonderful **"Members Have Spoken"** suggestions and ideas, plus your FUN **"Bright Ideas"** for us to try to implement, ... which we did! I look forward to receiving many more this year in our white suggestion/treasure box which will be found at each of our events. The Executive and I welcome your thoughts and opinions!

Preparations are being made for our blockbuster **"Celebration at the Station"** event on Wednesday December 7th at the magnificent, Liuna Station. This year's event will be sensational, ... the ambiance spectacular, ... with a delicious festive turkey meal served in Liuna's elegant dining room. Following lunch, ... the unique sounds of **"The Baker Street Victorian Carollers Quartet"**, ...a group of strolling carollers in period costumes, with their special blend of harmonies, ... will bring back memories of Christmas long ago. Be ready to be entertained to the finest, and participate too. Our new Provincial President, **Peggy Stock** will be our special guest at this event. Remember to make your reservations early, and to bring your warm wrap-ups for the *'Christmas Tree of Hope'*, your monetary donations for *Ronald McDonald House*, and gifts for the *Mental Health Coalition*. We look forward to seeing you there!

Many thanks to *Janice Jacobs*, our Events Committee Chair, *Pinky Moro* our Events Payment Convener, and their team for all the many preparations done for each event! Thank you to all our "20" Executive members for the many jobs you have provided this year. Your efforts are greatly appreciated! We are pleased to welcome back to Executive, **Gwen Kirkpatrick** as our *Interim Executive Secretary*, and thank Lynne Smith for her valuable contributions.

I want to wish you and your families a very Merry Christmas, and a healthy Happy New Year! See you in **2017** for the continuation of our Branch's '60th' Birthday celebrations, along with Canada's '150th'. It's another year of celebrations,...so be sure to join the fun!

'In Caring and Sharing', HOPE LEON, President

You are never too old to set another goal or to dream a new dream." (C. S. Lewis)

A handwritten message in black cursive script that says "Thank You!". Below the text are several horizontal brushstrokes in shades of blue, purple, and pink.

A great big thank you to all the generous ladies for their contributions to the CAS and CCAS. Each agency received 2 large boxes of toys and books along with \$503. What a caring and sharing group.

A huge Thank You also for all your donations of hygiene items for Sir John A MacDonald and St. Jean de Brebeuf. We had a trunkful to give to each high school. A total of \$236 was given to Notre Dame House- the only shelter for teens in the city. Once again the ladies have shown their generosity in Caring and Sharing. Thank you one and all.

Follow the Dream

Members! ... Are you following 'a dream' in retirement? Provincial would like to honour all those RWTO members who have set forth on a whole new path way, "*by creating a special display to inform and inspire all of us.*" The poster outlines "*The Follow the Dream*" project and the deadline for submissions. FOLLOW THE DREAM IN THE WORLD OF RETIREMENT

*WHO IS THIS DREAMER? WHAT IS HER DREAM? WHAT CHALLENGES DID SHE FACE?
HOW DID SHE OVERCOME THE OBSTACLES IN HER PATH?*

As retired women teachers, many of our RWTO/OERO members have pursued activities in retirement that have taken them on an entirely different journey from their previous careers as educators.

AT AGM 2017, we would like to honour the women within our organization who have set forth on a whole new adventure upon retirement. We would like to collect their stories and a picture for each member who may have followed or is actively pursuing a dream in retirement. We are planning a display of these stories to honour these achievements.

Please include this information with each submission:

- Member's name, address, branch (and e-mail address if applicable)
- a **short** (approx. 125 words) description including the dream and how this member set about achieving that dream. Perhaps there were challenges along the way, obstacles to overcome.
- Each story will be unique and inspiring and will form part of an interesting display of those in RWTO/OERO who have followed a dream in retirement.

Please email each story *** to carol.nelson@sympatico.ca or peggystock3@gmail.com or lois_lockhart@hotmail.com

Also please mail a 'hard' copy of the same information plus a picture of the member to:

Carol Nelson
#717--10 Dean Park Road
Scarborough, ON M1B 3G8

All submissions will be made ready for display by Lois Lockhart, Peggy Stock and Carol Nelson. We are looking forward to hearing from your branch and anticipate having your submissions by **March 31, 2017**. Please let us know if you need more time to submit.

Looking forward to hearing from you,
Carol, Lois and Peggy

Louise Patenall has been retired since 2007, coming to us from the Trillium Lakelands District School Board, near Lindsay. She's thrilled to have joined our Hamilton-Wentworth RWTO organization, and several of our interest groups, including *Art Appreciation*, and the '*Monday Matinee Movie Group*', as *co-leader*. Dec. 14- AGO

Travel via Go Train, lunch at The Village Idiot's Pub followed by 1:00 visit to Art Gallery of Ontario for:

Mystical Landscapes: Masterpieces from Monet, Van Gogh, and more (admission to AGO + Landscapes Exhibit: seniors \$21.50/ members free)

The years between 1880 and 1930 were marked by rampant materialism and rapid urbanization. Disillusioned with traditional religious institutions, many European, Scandinavian and North American artists searched for an unmediated spiritual path through mystical experiences. Organized in partnership with the renowned Musée d'Orsay in Paris, **Mystical Landscapes: Masterpieces from Monet, Van Gogh and more breaks new art historical ground, exploring the mystical experiences of 36 artists from 15 countries, including Emily Carr, Paul Gauguin, Vincent van Gogh, Wassily Kandinsky, Piet Mondrian, Claude Monet, Edvard Munch, Georgia O'Keeffe and James McNeill Whistler.**

Taking visitors on a journey through Europe, Scandinavia and North America, the exhibition will feature close to 90 extraordinary paintings and 20 works on paper, many of which seldom leave their home museum. Highlights include **Vincent van Gogh's Starry Night over the Rhone at Arles from 1888**, which prompted him to write about feeling "a tremendous need of — shall I say the word—religion...so I go outside at night to paint the stars"; **Paul Gauguin's vivid Vision of the Sermon (Jacob Wrestling with the Angel)** from 1888, painted during his sojourn in rural Brittany; **Claude Monet's Water Lilies (Nymphéas)** from 1907, which he painted after hours of Zen-like meditation beside his Japanese water garden; **Edvard Munch's The Sun**, created to inspire students in the wake of his well-publicized nervous breakdown between 1910-1913; **Georgia O'Keeffe's Series I - from the Plains** from 1919, which shows the terrifying power of an approaching

thunderstorm in Texas; and a series of mystical lithographs by the recently rediscovered French artist Charles Marie Dulac, which illustrates St. Francis of Assisi's Canticle of Creation.

RWTO MONDAY MATINEE MOVIE

For the past 6 years, our very flexible group has attended the 1pm Ancaster Filmfest screenings at Silvercity Ancaster. The film choice is outstanding as many are award winners from major festivals, such as TIFF, Cannes, Sundance, etc. The cost is \$10 if you are not an AFF member.

We sit in groups in several locations throughout the theatre and are always happy to be a seat-mate for a new member. It won't take you long to feel at ease.

After a film we walk over to Kelseys and chat about the film.

There are 4 film outings in the fall and 8 in the winter and spring. If you are on the RWTO Movie email list, you will receive a reminder before each date. If you wish to attend, reply to the email. If the date does not work with your busy schedule, do not reply. How flexible is that?

The next date is Monday, Nov.7. Note: AFF is a charitable group with all of their proceeds going to local charities. Contact us if you have any questions. See you at the movies.
