- In the latest edition of "*Connections*" you will see 6 resolutions, which are to be presented at the **Annual Convention** to be held **June 4 - 6th** in **Ottawa**. At the last executive meeting these resolutions were discussed at length. It was decided that our response to these will be as follows: #1 Yes, #2 Yes, #3 Yes, #4 No, #5 No, and #6 No. If you have any questions or opinions on these resolutions or with the executive's position on them, please get in touch with any of the executive members.

- The executive are also hoping that, if allowed, the delegates of Area 8 will bring forward a motion at this year's Convention, to have the provincial pay the membership fees for those over the age of ninety. We feel that these treasured folk have given of their talents and money over many years and that they deserve to have their memberships paid by the provincial.
