SUMMER FUN

Our branch Get Together in July was lots of fun. We were treated to sunshine and warm breezes and to Joy's hospitality as we met at her beautiful Eagle Lake home on July 24. Needless to say, a Good time was had by all who were able to attend. Getting together for a social time has been a tradition in our branch for some time. Always relaxing and always full of good fun, laughter and friendship!

Convention 2019 Memories

And, here are the East Parry Sound Branch members who attended the 2019 RWTO Convention held this past June in St. Catharines. The Convention Theme was 'A Barrel of Fun'. Next year's Convention will be held in Kingston. Information about it is now on our www.rwto.org website. Have you ever considered coming to Convention???. Now might just be the time.
