

Each year, several local charities are selected as recipients of monetary donations from our fund raising activities. In the last few years, the following have benefitted:

Youville Centre, a non-profit, registered charity that serves adolescent mothers and their children.

Twice Upon a Time, a registered charity in Ottawa, operated entirely by volunteers, whose goal is to encourage children to read by giving them new or gently-used books.

Ottawa Basketeers, who collect baskets of household items for women who have had to flee violent situations to women's shelters for safety and are ready to make the transition to new beginnings.

“Sharing in Student Success”, a program of the Caring and Sharing Exchange, Ottawa, which provides grade-appropriate stuffed backpacks to needy children so that every child in Ottawa can return to school in September on an equal footing, ready to learn.
