I. INTRODUCTION

The Voting and Election Procedures Handbook was developed by an Ad Hoc Committee as directed by the RWTO/OERO Board of Directors. It was determined that there was a need for clarification of procedures and provision of additional resources to facilitate an effective and productive voting process.

Since voting and elections can be conducted in person or virtually, information for both situations is included in this handbook.

Members of the committee included Nancy Papiez (Chair), Judith Bennoch, Sandie Bender, and Jane Cartier.

II. PURPOSE OF THE HANDBOOK

The Voting and Election Procedures Handbook was created:

- a. to clarify terminology regarding the voting process related to motions, resolutions and elections;
- b. to outline the various situations where a vote may be required;
- c. to provide guidance for the Board of Directors and Annual General Meetings (AGM);
- d. to provide a resource of information and forms to assist those responsible for voting and election procedures.

III. WHY IS A VOTE HELD?

A vote is held when motions or resolutions are put forward at a Board of Directors meeting or at the AGM. A vote is also held at the AGM when there is more than one nominee for an elected position on the Board of Directors.

DEFINITIONS

A. Board of Directors

The **Board of Directors** is the governing body of RWTO/OERO. Individuals who sit on the **Board** are responsible for overseeing the organization's activities. **Board members** meet to discuss and vote on the affairs of the organization.

B. Annual General Meeting

- a. The Annual General Meeting refers to the yearly official business meeting of the organization. A *quorum* for the AGM shall be fifty percent (50%) of the eligible delegates. (See Constitution Article X 3.)
- b. With regards to voting, the AGM elects officers to the Provincial Executive and considers resolutions.

C. Motions and E-motions

Note: *E-motions are part of the business of the Board. Board members are reminded to regularly check their emails for e-motions.*

- a. A motion is a formal proposal placed before a meeting for debate and a decision. Motions can be made at a Board of Directors meeting or at the AGM.
- b. At a Board of directors meeting, motions are made to conduct the business of RWTO/OERO and to revise the Policies and Procedures Manual. They cannot be made to change the Constitution.
- c. An e-motion is one that is duly moved and seconded by members of the Board of Directors but is presented and voted upon through email.
- d. An **e-motion** is sometimes required between Board of Directors meetings. In some cases, an e-motion is necessary to address immediate issues or concerns. In other instances, Convenors, Standing Committees, or Appointed Committees require an e-motion to move forward on their work in an expedient fashion.

- e. An e-motion can be initiated by the President, the Chairperson of a Standing or Appointed Committee, or a Convenor whose specific responsibilities dictate immediate action by the Board of Directors.

D. Resolutions

- a. A **resolution** is a proposal that declares the opinion of an organization rather than its intent to act on a certain matter. Resolutions are required to change the Constitution. Resolutions can also be made to amend policies or procedures. All resolutions must be presented for a vote at the AGM.
- b. Resolutions must be submitted to the Provincial Constitution and Resolutions Committee Chair (1st Vice-President) by November 15th. Resolutions going forward to the AGM are published in the March edition of "Connections." This allows for thought and discussion prior to the AGM.
- c. Resolutions can also be submitted during the AGM without prior notice. (See Constitution Article X 4)

E. Elections

An election is the process of determining which candidate shall be chosen to fill a Provincial Executive position. Nominations must be received by January 31st.

In addition, nominations will be accepted from the floor at the appropriate time during the AGM.

Voting occurs at the AGM. Voting on elections is by secret ballot or anonymous poll.

If only one advance nomination is made for a Provincial Executive position, and no additional nomination(s) come from the floor, the candidate is considered acclaimed and there is no election.

IV. WHO CAN VOTE?

Registered delegates have voting privileges at the AGM. All elected and appointed members of the Board of Directors, with the exception of the Parliamentarian and the Executive Secretary-Treasurer, are entitled to a vote. (See Constitution Article IV 4e.)

A. Delegates (See Constitution Article X) (See Provincial Policies and Procedures Manual Article X, 5. & 6.)

- a. A **Delegate** is a chosen representative of a Branch. A delegate must be a paid- up member and registered for the AGM.
- b. **Provincial Delegate** – The first voting delegate from each and every Branch is called the Provincial Delegate.
- c. **Branch Delegate** – All other voting delegates are called Branch Delegates.

B. Voting Cards

- a. All delegates including the Board of Directors (except the Parliamentarian and Executive Secretary-Treasurer) receive voting cards when they register at the Convention, which indicates an entitlement to vote.
- b. Registered non-delegates are not entitled to vote and do not receive a voting card.
- c. Ten extra voting cards without names should be provided to the Program Coordinator for last minute changes or lost voting cards (changes in the Delegate list often occur a day or two before the Convention).
- d. At the Convention Registration, voting cards are to be handed out separately from the Registration Package.
- e. Delegates must sign upon receipt of their voting cards. The signing sheet is provided to the Registrar by the Program Coordinator. It is returned to the Program Coordinator so that she can prepare the percentages for voting.
- f. Printing of the voting labels for the voting cards should be done when the final delegate list is complete. See VII Supporting Materials C. Forms Voting Card for details of what is printed on the card).

Note: No voting cards are required during a Virtual Convention.

Note: At a Virtual AGM no voting cards are required.

VI. HOW IS A VOTE TAKEN?

A. How to Vote

- a. There are two ways to vote:
 - i. in person by a show of hands or secret ballot;
 - ii. virtually by using a polling process.
- b. During in person voting, there may be an overwhelming majority vote so a formal count of hands will not be needed. This is at the discretion of the Parliamentarian.
- c. At a Virtual AGM, delegates choose from three options when voting: In Favour, Opposed or Abstain.
- d. **On-line Process**
 - i. An e-motion is drafted by the President or presented to the President.
 - ii. The President refers the e-motion to the Parliamentarian to confirm accuracy and clarity.
 - iii. The President, through the Recording Secretary, sends the e-motion via email to all members of the Board of Directors. It is accompanied by an outline of the process and the timeline for clarification, deliberation and voting.
 - iv. Members of the Board communicate their concerns, comments and questions to all Board members using "reply all".
 - v. The President will respond to all queries, consulting with others as necessary.
 - vi. After the deliberation time has elapsed, members of the Board of Directors submit their votes via email to the Recording Secretary with a cc to the President.
 - vii. The Recording Secretary tallies the votes and confirms the numbers with the President. All e-motions require fifty-one percent (51%) to be carried.
 - viii. The President communicates the results to the Board members.
 - ix. An **e-motion** is presented to the Board of Directors via e-mail. An e-motion is sometimes required between Board of Director meetings.

B. Voting Procedures

1. The Role of the Scrutineers

- a. The Program Coordinator chooses a minimum of three scrutineers well in advance of the AGM from the non-delegates who will be attending the AGM. Scrutineers may be selected from the volunteers of the host Branch(es) of the Convention in consultation with the Provincial Convention Convenor.
- b. One scrutineer is assigned as Head Scrutineer.
- c. The Provincial Program Coordinator divides the Head Table and delegate tables as evenly as possible and assigns to each scrutineer:
 - i. take a section to count votes and to distribute/collect ballots;
 - ii. report voting counts to the Head Scrutineer;
 - iii. mark the tally sheets for secret ballots.
- d. The Head Scrutineer:
 - i. counts the totals of all show-of-hand votes from the other scrutineers;
 - ii. oversees secret ballot counting;
 - iii. passes results of votes to the Program Coordinator who shares with the Parliamentarian.

Note: Scrutineers are not required at a Virtual AGM.

2. Voting by a Show of Hands for a Resolution

- a. In many cases there will be an overwhelming majority vote so a count of hands will not be needed.
- b. If a vote is required, the scrutineers count the voting cards that are held up by the delegates and record the results.
- c. The scrutineers hand in their results to the Head Scrutineer.
- d. The Head Scrutineer adds up the total count of all scrutineers and checks the Voting Percentage Chart in consultation with the Program Coordinator who gives the results to the Parliamentarian.

Note: Voting by a show of hands does not apply at a Virtual AGM.

3. Voting by Secret Ballot for a Resolution

- a. Sometimes a resolution will go to secret ballot.
- b. The scrutineers pass out ballots, one to each delegate seated at their respective table (Delegates must hold up their voting card to receive a ballot).

- c. **“Yes”** or **“No”** is to be written on the blank ballot.
- d. To have their ballot collected, each delegate must hold up their voting card and then place their folded in half ballot in the envelope held by the scrutineer.
- e. The scrutineers proceed to the counting table and remove the ballots from the envelopes in front of the Head Scrutineer.
- f. In the spot designated for counting ballots, the Head Scrutineer:
 - checks that all envelopes are empty;
 - reads the ballots aloud placing them in their respective ‘yes’ and ‘no’ piles while the other three scrutineers mark the tally sheets. (See VII Supporting Materials C.c.)
- g. Spoiled ballots are put in a separate pile; however, their numbers are added to the final count of ballots issued and collected.
- h. The scrutineers check to make sure their numbers match at the end of the count.
- i. The Head Scrutineer:
 - i. notes the final count;
 - ii. checks the Voting Percentage Chart in consultation with the Program Coordinator;
 - iii. fills out and signs the Head Scrutineer’s Report in consultation with the Program Coordinator (See VII Supporting Materials C).

Note: At a Virtual AGM, all voting is conducted anonymously (polling).

4. Debating During a Resolution

- a. The Mover of the Resolution and the Secunder are each given two minutes to present the Resolution.
- b. Delegates who respond are allowed to speak for two minutes.
- c. Delegates are to bring their Voting Card to the microphone at an In Person AGM. At a Virtual AGM, delegates will request to speak (e.g. using Chat in Zoom).
- d. The Chair will then acknowledge the speaker.
- e. The delegate states her name and Branch, and then begins her talk.

- f. The Timekeeper will indicate the time when 1 minute 30 seconds has passed and at the 2-minute mark will hold up a STOP sign.
- g. Speakers may only speak once.
- h. The mover of the motion may close the discussion with a second comment.
- i. Delegates **may not** give their Voting Card to anyone else to speak at an In Person AGM.
- j. Registered non-delegates are not allowed to speak.
- k. Honorary Delegates (Past Provincial Presidents) not attending as delegates are allowed to speak but not allowed to vote. (See Constitution Article X7.)

5. Voting by Secret Ballot for an Election

- a. Follow the same procedure for ballot distribution and counting of ballots as described above (3) Voting by Secret Ballot for a Resolution.

Note: At a Virtual AGM all voting is conducted anonymously (polling).

6. Election of Candidates

- a. Each Candidate may speak for three minutes.
- b. During an In Person Election, each Candidate may choose a personal scrutineer to observe the ballot count.
- c. The Head Scrutineer will show each marked ballot to the candidate's scrutineers. The personal scrutineers may observe but not touch the ballots.
- d. If a Candidate's scrutineer wants a ballot rejected, the Head Scrutineer will make the final decision. It will be recorded on the back of the ballot. If the final count is close, that spoiled ballot will be looked at again.
- e. Each Candidate's scrutineer signs the Head Scrutineer's Report.
- f. The candidate's personal scrutineer does not receive remuneration for any expenses incurred when volunteering.

Note: No personal scrutineers are required at a Virtual AGM.

7. Marking Ballots for an Election

These procedures apply to an In Person AGM.

- a. The names of the candidates will be on each ballot.
- b. There may be more than two names on a ballot.
- c. Ballots are to be marked with an **X** in the circle beside the candidate of choice.
- d. Delegates are to write the name on the same ballot if a nominee comes from the floor. (See VII Supporting Materials C.g)
- e. Spoiled ballots cast by the delegates count toward the total votes cast, but they do not count for election of a candidate. Spoiled ballots include:
 - i. unintelligible ballots;
 - ii. ballots cast for an unidentifiable or ineligible candidate;
 - iii. ballots indicating votes for more than one candidate choices or not marked at all.
- f. Small technical errors (marking a check mark √ when an x was called for) do not make a ballot spoiled as long as the voter's intent is discernable.

These procedures apply to a Virtual AGM.

- a. The names of the candidates will be on each poll.
- b. There may be more than two names on a poll.
- c. Delegates select the candidate of their choice.

8. Voting Percentages

- a. Motions require a fifty-one percent (51%) majority at Board of Directors meetings and fifty-one percent (51%) of registered delegates at the AGM.
- b. **Resolutions** submitted by the pre-determined deadline require a sixty-six percent (66%) majority vote of the registered delegates. If resolutions do not have prior notice, an eighty percent (80%) majority vote is required.
- c. Candidates are declared elected with a fifty-one percent (51%) majority of ballots cast.
- d. Examples of calculating a percentage of the votes: a 66% majority of 135

delegates would be 89 votes or more ($135 \text{ delegates} \times 66\% = 89$); an 80% majority of 135 candidates would be 108 votes or more ($135 \text{ delegates} \times 80\% = 108$).

- e. 51% of the eligible Board members must vote “yes” to pass an e-motion. The Parliamentarian and Executive Secretary-Treasurer are non-voting members. The President only votes in the event of a tie.
- f. Should an e-motion fail it can be presented again in the future, if substantive changes have been made.

Board members, including the mover and seconder of an e-motion, are expected to vote.

VII. SUPPORTING MATERIALS

A. Guidelines

The Guidelines are to assist various participants involved in preparing for the AGM. Individual Guidelines may be copied for convenience. The Program Coordinator provides copies of the Guidelines for the Scrutineers, Timekeeper(s) and Door Monitors prior to the AGM.

1. Guidelines for Scrutineers

These Guidelines only apply for an In Person AGM. For a Virtual AGM, no scrutineers are required.

- a. The number of registered delegates will be announced at the beginning of the Business Session on Wednesday morning (there are usually about 115 - 140 registered delegates).
- b. Votes will often be by a show of hands. Voting can also be conducted by secret ballot.
- c. Scrutineers count votes and/or ballots. The Program Coordinator will have divided the Head Table and delegates' tables into equal sections. Each of the scrutineers will be responsible for a section.
- d. The Head Scrutineer oversees the hand count and the tallying of ballots in consultation with the Program Coordinator.
- e. Sometimes a Resolution will go to **secret ballot**. The Program Coordinator will provide each scrutineer with envelopes containing ballots for each Resolution. A couple of extra envelopes for possible Resolutions from the floor will be provided. Each envelope will contain bundles of ballots (for easy distribution). Each Resolution has its own colour of ballot.
- f. The Program Coordinator will provide Election ballots.
- g. The Head Scrutineer will be provided with two different types of tally sheets, one for counting a vote on a Resolution and one for an Election. (See VII Supporting Materials C)
- h. Each scrutineer will be responsible to hand out and collect the ballots in her designated area (only voting delegates receive ballots). **Delegates must show their voting card to receive a ballot.**

- i. There will be a designated area (to be determined) to count the ballots. The Head Scrutineer:
 - i. notes the final count;
 - ii. checks the Voting Percentage Chart in consultation with the Program Coordinator;
 - iii. fills out and signs the Head Scrutineer's Report in consultation with the Program Coordinator (See VII Supporting Materials C);
- j. After all the voting has taken place, the Program Coordinator calls for a motion to destroy all of the ballots.

2. Guidelines for the Timekeeper(s)

- a. The Timekeeper must be seated in such a way as to be seen by the Head Table and the speakers.
- b. During a **resolution debate**, each speaker can speak for **two minutes**. The Timekeeper will stand and hold up a sign at the 1 minute 30 second mark. At the 2 - minute mark, the Timekeeper will stand, hold up a STOP sign and ring a bell.
- c. **Election candidates** can speak for **three minutes**. The Timekeeper will stand and hold up a sign at the 2-minute mark. At the 3-minute mark, the Timekeeper will stand, hold up a STOP sign and ring a bell.
- d. The Program Coordinator provides an electronic timing device for the Timekeeper. Alternately, the timekeeper may wish to use her own personal device.
- e. Signs and a bell will be provided for the Timekeeper by the Program Coordinator.

3. Guidelines for Door Monitors

These Guidelines only apply for an In Person AGM. For a Virtual AGM, no door monitors are required.

- a. Two Door Monitors sit at the doorway(s) for the duration of the AGM. One or two sets of doors, depending on the layout of the meeting space, may be monitored during the AGM.

Note: The Program Coordinator ensures that a small table and two chairs will be set up inside the entrance(s) for the Door Monitors.

- b. If a delegate needs to leave, she must hand in her voting card to one of the Door Monitors. Upon returning, she receives her voting card from a Door Monitor.
- c. Unclaimed Voting Cards are given to the Program Coordinator after each session of the AGM.

- d. No one may enter or leave the AGM during a vote whether by a show of hands vote or secret ballot. This includes both delegates and non-delegates.
- e. During a secret ballot, doors are to be shut.

4. Guidelines for Program Coordinator to Select and Train Scrutineers, Timekeeper(s) and Door Monitors.

- a. Selection Process for an In Person AGM.
 - i. Scrutineers, Timekeeper(s), and Door Monitors may be selected from the volunteers of the host Branch(es) of the Convention in consultation with the Provincial Convention Convenor. They may also be chosen from non-delegates who are attending the Convention.
 - ii. If volunteers are not available for any position, in late April, contact the Branch Presidents. Ask them to survey Branch members who will be attending the Convention as non-delegates to see if they are interested and willing to volunteer for one of the positions.
 - iii. The Branch Presidents forward the names to the Program Coordinator by mid-May.
 - iv. All interested persons should be contacted and thanked.
 - v. The Program Coordinator then selects the volunteers and assigns the various positions in collaboration with the volunteers. One scrutineer is named Head Scrutineer.
 - vi. Those selected should be sent Guidelines appropriate to the positions they are filling (See VII Supporting Materials A.a.b.c.). Details about the training session should be provided.
 - vii. Maintain contact with the volunteers to answer their questions. Confirm the time and place of the training session.
- b. The Scrutineers, Door Monitors, and Timekeeper(s) are required for all AGM sessions but need not be the same people. However, all persons should be trained.
- c. Scrutineers, Door Monitors and Timekeeper(s) do not receive remuneration for any expenses incurred when volunteering.

Note: Only a Timekeeper is required for a Virtual AGM.
