

London-Middlesex **Charities We Support**

Our Branch supports local charities by collecting goods or cash/cheque donations at the luncheon meetings. The executive reviews the list every year and may make some changes to ensure it reflects the changing needs of London & Middlesex.

For the 2025 -2026 year the September Charity is Kaswentha Two Row Now as requested by the speaker Patsy Day. This group supports through education and training young women in the community taking leadership roles.

In October the charity is the Women's Rural Resource Centre, Strathroy and Area.

In November My Sisters' Place in London.

In March at the request of the speaker, Joan's Place under the Youth Opportunity Unlimited which supports unhoused youth.

In April the Education Fund as selected by the membership and also the recipient of the Public Speaking Kiwanis Award.

A few years ago a survey was done of members' individual volunteer work and charitable donations through their churches, agencies and organizations that support people in need within our entire community of London and Middlesex. It was an extensive and impressive list. This is the very essence of "Caring and Sharing" in RWTO/OERO.
