Annual General Meeting-April 23--Thank you to all members who helped to organize and carry out the day and Delcy who organized the event. We thank our provincial president Linda for joining us. Our speakers. Glen and Marie from Brant/Brantford Community Paramedics were very informative; thank you Anne for arranging the speakers. Some members took home treasures from the Silent Auction.

If members have a special event, they think all members might enjoy, please let one of the executive know and we will see what can be arranged.

The convention is being held at Western University, and your delegates are Sylvia and myself. More information is in the March Connections.
