

RWTO Sault Ste Marie Branch is very proud of its well-deserving 2025/2026 Cora Bailey Award Recipient. This recipient became an RWTO Sault Ste Marie member in 2008 and has ever since been steadfastly involved in the organization. She has regularly attended our General Meetings over the years both as a participant as well as a presenter. This recipient has shared her artistic skills with fellow members which many of us present can attest to. The paper quilling workshop which she led several years ago is one such example.

In addition, she has organized and run a Scrabble Club for many, many years. Members of the club meet twice monthly at various locations and have a great time. In addition, this participant has also been very involved in one of our branch's book clubs, often acting as a host.

This participant has developed many valued friendships within the Sault Ste Marie RWTO Branch and the members in turn greatly value her. Our Sault Ste Marie RWTO Branch would not be the same without her. She has been described as someone who has truly exemplified our club's motto of caring, sharing and having fun not only as an RWTO member but throughout her teaching career. The members of RWTO Sault Ste Marie are so very, very proud of this year's Cora Bailey Recipient :

Congratulations, Carmen Charsley!

Sault Ste Marie, Area 11 Cora Bailey Award 2025- 2026

RWTO Sault Ste Marie Branch is very proud of its well-deserving 2025/2026 Cora Bailey Award Recipient. This recipient became an RWTO member in 2017, shortly after retiring and moving to Toronto. In 2019, she moved to Sault Ste Marie and transferred to the RWTO Sault Ste Marie Branch.

In 2024, our recipient became President of the RWTO Sault Ste Marie Branch. She has continued to take the Sault Ste Marie Branch in a positive direction where our members continue to feel *cared for*. For the past several years, this recipient has mailed handwritten birthday cards to all club members. She can often be found several times throughout each month either engaged in a book talk with fellow book club members or perhaps having an enjoyable breakfast at too early a time for some of us or participating in whatever other event our club's Monthly Calendar has indicated.

This recipient has recently accepted the role of Co - Second Vice President of our RWTO Organization and eventually will move up to the role of Co-President.

The members of RWTO Sault Ste Marie are very proud of this year's Cora Bailey Recipient:

Congratulations, Patricia Lambert.
