

GWRWT Summer 2026 Newsletter

GWRWT can be very proud of our fundraising efforts this year! As well as very successful T-Shirt and SCAW (Sleeping Children Around the World) campaigns earlier this year, we supported Guelph-Wellington Women in Crisis and a Pop Can Tabs Initiative.

Guelph-Wellington Women in Crisis' truck was filled with a variety of much-needed products as well as donations totalling \$417.00. Thank you so much for your amazing support!

A trunk load of pop can tabs was delivered to Zander's home. He is the student in Fergus whose mission we supported to raise money for a wheelchair for Olivia, a toddler with cerebral palsy. We heard the **great news** that the mission is complete! The family was able to purchase two wheelchairs as well as a ramp, thanks to tab collection. **After our September meeting, GWRWT will discontinue collecting tabs!** Congratulations on a job well done!

Here's a sneak peek at our exciting new fundraiser for 2026-27! At all four luncheons next year, we will sell tickets for a chance to win this beautiful Christine Marshall framed print donated by one of our members. It is titled Loon and Chicks, a limited edition print (105/119), with museum quality framing, originally listed at \$2700. Tickets will be on sale (cash or cheque) at our September, December, April and June Luncheons for \$10.00 each or 3 for \$25.00. Proceeds will be split evenly between Elora House (a facility for victims of human trafficking) and GWRWT (to offset costs of luncheons exceeding \$40.00 per person). Thank you in advance for your interest in supporting these two worthy causes!
