

New Insurance Benefits

Hospital and Home Care Plan Insurance information: Manulife has now expanded their benefits at no additional cost to “Retired Women Teachers”!

1. Transportation Benefit: Now includes coverage for cost of transport drivers for the Canadian Cancer Society to a maximum of \$100 (combined with other transportation benefits)
2. Mobility Assistance Benefit: Now includes Ergonomic walking poles, when prescribed by a physician, up to current maximum of \$150 per injury or sickness.
3. Hearing Aid Benefit: Now includes coverage for charges or purchase of cochlear implants up to current maximum, of \$200 every four benefit years.

Also to help me keep track of RWTO members who have this insurance cover would you please send me an e-mail telling me that you are enrolled. I am unable to get names from Manulife due to privacy concerns, only am given numbers. I am aware that a few members have joined in the last year, most likely due to the open window that was available.
