In June, we celebrated Canada's 150th birthday in fine style with many members dressed in red. Thanks to all who helped arrange the festivities. The new Cora Bailey pin was presented to our new recipients Jane Cartier and Marg Mazurek, as well as all previous recipients of this award. Congratulations to all. The In Memoriam service was conducted by Barbara Rose, with assistance from Marg Mazurek.

In September there was a presentation from Terry Kennedy, our insurance representative. Jane has more information on this presentation in her report on page two. We also welcomed new retiree Barbara Goldhawk with a rose.

Our Cora Bailey Award winners, past and present, show off the pins they were presented with at the June meeting. Congratulations to all.

Insurance Report by Jane Cartier

At our September General Meeting, Terry Kennedy spoke to us about our Hospital and Home Care Plan. She stressed the importance of having a power of attorney for both personal care and for financial purposes. You can do this through your lawyer or you can download a form if you go to the website {HYPERLINK "http://www.gov.on.ca/power" }. If you download the forms and fill them out, they need to be witnessed by two people unrelated to you. At the time that you draw up a will many lawyers will suggest that you also draw up the documents that will appoint someone to be power of attorney. We never know what lies ahead, so being prepared is always worthwhile.

In Memoriam Service

Barbara Rose conducted a beautiful service for the following members:

Shirley Pumfrey, Anne Goens, and Ruth Richardson.
