Rendezvous Branch

Rendezvous Branch Report

2013-14

The 74 members which includes 13 Life Members of Rendezvous Branch are invited to 8 monthly meetings for coffee, business and chat. Averaging 7, we plan topics for discussion and ways to interest ladies to join our group and attend meetings. Our very successful 'Knit Squares for Blankets' project got

many women involved, challenging them to do something for others. The Seasons Greetings/newsletters that we mailed to members far away or in poor health were greatly appreciated. In November we celebrated Clara Lahmer's 102nd birthday by bringing her to lunch at the Old Mill. She loved the members dancing and regaled us with stories of her years in the classroom during the drive home. On January 1st Clara and residents of Cedarbrooke Lodge were joined by her RWTO/OERO friends for a party with a ukulele-led singsong and birthday cake.

I am pleased to announce that Anne Graham, the Provincial President of RWTO/OERO, will be joining us on Monday March 17th. Anne lives in Lanark, near Ottawa and has probably been snowed in several times this winter. She is hoping the weather will be good for the long drive here.

We will send two delegates to attend the convention in Ottawa. Their expenses will be paid by RWTO/OERO. All members are welcome to join us for a few days of business, site-seeing and socializing.

At our meeting in January we took one last look at our blankets, identifying the squares each of us had knit. The finished blankets were then delivered to the Salvation Army to be distributed to women and children in need of something warm and cosy in their lives. This month we agreed to continue the squares project and to seek funding for materials.

The Rendezvous Branch will meet on March 17th at 10:00 for a meeting and lunch with President Anne at Montgomery's Inn. The cost will be announced when determined. Guests are welcome to join us. Please email Judy Anderson for details.

This is the 34th issue of our Rendezvous Club & RWTO/OERO newsletter. Find out what is happening here at Rendezvous and throughout the province.
