The President's Message from Donna Parkhill

As your president, I am looking forward to a year full of experience and friendships.

Our branch Niagara Falls, certainly epitomizes the caring and sharing motto of RWTO/OERO and am both honoured and humbled to be part of a group that meets the needs and interests of its members as well as giving back to the community in which we live.

The lunches with various themes and the wide variety of interest groups we contribute to make this year enjoyable to all. During the year I intend to visit the various interest groups to see what's happening and to meet more of the members both returning and new.

It will be an ongoing pleasure to work with your talented and dedicated executive. Their leadership and expertise are amazing. I encourage you to contact anyone on the executive should you have questions or concerns.

Together, with you, the members we will have a great year!

Donna Parkhill
