## Carol Nelson - President

The second month of the year and already it has been interesting—at least the weather has kept us alert from day to day. Tonight, as I write this, the snow is gone (again) and it is raining. You know that this will change as we move through the month.

Hopefully, the flu season is ending and everyone is feeling better. Let's hope that warmer weather and sunshine will make us feel better.

Again, the executive has been working for all of you. Linda Jarvis is looking for members who would like to become part of the executive. There are some people leaving and moving positions this year (will be announced in a later newsletter) and new faces are always welcome. There is always a place for you if you are interested in joining the executive. Meetings are usually held in September, January and April. Email is often used, if necessary, if something needs to be discussed in between meetings. Meetings are held before luncheons.

We are an active branch but it is only active because of the people involved. Let Carol or Linda know how you would like to help.

The days are getting longer with more hours to go out during the day. Enjoy them.  
Carol

**COME FROM AWAY** is the breathtaking new musical that

Toronto embraced with open arms and had audiences leaving the theatre night after night claiming they were "proud to be Canadian!" The weather is wild, but the locals never lack for warmth. And it's here, in Newfoundland, where a remote town became the epicenter of a remarkable true story filled with unusual characters, unexpected camaraderie and uncommon generosity.

Check in for a tap-happy musical about a crooner and a hooper vying for the affections of a beautiful up-and-coming performer in this new stage adaptation of the beloved 1942 Bing Crosby and Fred Astaire film.

Based on a true story, *The King and I* traces the blossoming romance between an English governess and the King of 19th Century Siam. Part love story and part culture clash comedy, the show contains some of musical theatre's greatest numbers, from *Shall We Dance* to *Getting to Know You*, to *I Whistle a Happy Tune*.

*"The seemingly unending mixed forests of the Canadian Shield open up as you skirt the shores of northern lakes and rivers, cross towering trestles, and set eyes on the same rugged landscapes and majestic views that inspired the Group of Seven."*

**A LOVE STORY WITH TWISTS AND TUNES.** A charming but fraudulent salesman arrives in River City to work his usual scam – only to find that a bill of goods can be the real deal. With melodies that include the rousing "Seventy-Six Trombones," this musical-comedy classic will delight the whole family.

Ebenezer Scrooge is a miserable old miser. But when three ghosts decide to swoop in overnight, he gets the wake-up call of a lifetime. This charming Christmas classic by Charles Dickens has one of life's most inspiring questions at its heart: what — and who — will really matter in the end? See it brought to life in the historic Royal George Theatre by the Shaw Festival's world-class Ensemble.

# Welcome Sylvia Sarkus

## ALLERGIES AND DIET RESTRICTIONS:

If you have food allergies or dietary restrictions, it is important that we know about these so that accommodations can be made for you. We need to have the information **BEFORE** the luncheon. Please call Shelley Goodman at 416-491-1683 or e-mail her at [shelley.goodman@sympatico.ca](mailto:shelley.goodman@sympatico.ca) to let her know about these allergies or restrictions. She will confirm the change with you once you have advised her. If fruit for dessert is the only change you require, then you will not have to inform her every month. This will be done automatically. Please keep Shelley informed if there are changes during the year. We want to ensure that you enjoy each lunch!

## SPECIAL COLLECTION:

Can you help?

Doctors and Pharmacists in rural communities in developing countries do not have prescription pill bottles to give to a patient when he receives medication from a doctor. The patient is given his pills wrapped in newsprint or put into a paper envelope. By the time he has walked the mile or two home, the pills are lost or have started to disintegrate in the heat.

If you have empty pill bottles, we will be collecting them in January and February. These pill bottles will be taken down to the developing countries by travelers who support their clinics and/or facilities. Please remove the labels from the bottles.

Thank you. Carol

There **WILL** be our regular collection of toiletries, magazines and baby products at the February luncheon.

## Coming in March Glad Bryce

Glad Bryce, with Dr. Roberta Bondar, who wrote the foreword of her book, *First In Last Out*

"Glad Bryce has written with great respect and passion of the Canadian women who became the WDs of the Royal Canadian Air Force. Their story is an important part of our country's history, and it is imperative that today's young women and men know how and why their grandmothers and great grandmothers were pioneers in changing how women were perceived by society at large. The stories these women have told are fascinating and it is a wonderful and necessary book that Glad has so movingly written about."

# RWTO INSURANCE

## Some frequently asked questions...

Q. If you are in the hospital 3 days you qualify for the 350.00/month but if you have day surgery, requiring an incision, you qualify for only 72.50/week for ONLY up to 4 weeks. What

if you have surgery but are in hospital less than 3 days. Do you only qualify for the 72.50 for up to 4 weeks? There are now some major procedures where they keep you in hospital for less than 3 days. What if it is keyhole surgery with no incision, but it is still major? Do you still qualify?

A. *If you have surgery but are in hospital less than 3 days, you qualify for the \$72.50 for up to 4 weeks...regardless if the surgery is considered "major" or "minor" and the incision requirement has been removed.*

Q. On discharge from hospital, does one apply to the Community Care Access Centre to collect what the government pays for Home Care first, before submitting the claim under the Hospital and Home Care Plan?

A. *Yes, the government is always the first payor.*

Q. Under the Death & Dismemberment policy, would the benefit be paid quickly enough to cover the funeral?

A. *No--since most funerals take place within 3-4 days of death. In the event of an accidental death, benefits would be paid for claims within 1-2 weeks of Manulife's receipt of the appropriate documents.*

Q. Does the doctor's validation expense include the transfer of medical records from doctor to doctor?

A. *Unfortunately, it does not. It pays for the expenses charged by a doctor when validating or completing a claim form for the benefits eligible under this policy.*

## Basic Points of Computer Etiquette

### Replying to an email:

When you receive an email, "**reply**" to the sender within 24 hours, saying that you received it. Messages can be lost in cyberspace and the sender will be wondering if it went astray. If it requires a detailed answer and you are short of time, simply reply with "Received, ttyl." Time well spent?

### When to use "Reply All":

If you receive an email and several others are also listed as recipients, reply only to the person who sent the email to you. One uses "Reply All", only if adding new information that all recipients need to read.

### Using CAPITALS:

CAPITALS in an email mean that you are SHOUTING at the recipient. It is considered offensive.

# CONVENTION 2018

## RWTO/OERO

### 62<sup>nd</sup> CONVENTION

It is very important that your cheque for the luncheons are received well in advance. We are required by The Estate Banquet Centre to give them the number of meals

required **A WEEK IN ADVANCE**, so they can accommodate everyone.

If your cheque is late or you decide, at the last minute, to attend, the Estate has not prepared a lunch for you. To avoid putting the Estate and our branch Executive in a difficult position, please ensure that Susan Urie is aware of your attendance by receiving your cheque. Many thanks to those who honour this.

## GOODWILL

We were saddened to hear of the death of Ron Halvorson who passed away recently. A donation was made to St. Margaret - in the Pines church in his memory.
