

*We were busy fundraising...*

### CHRISTMAS at QSSIS

Every year at Christmas time, QSSIS Banquet Hall opens up its doors and provides a hot dinner to people in the area. They serve about 3500 people in a two day period. RWTO Scarborough members donated over 200 gifts for the children's Christmas party.

### Toonie Tuesday

We received donations of special products from various businesses in Scarborough and Shirley and Susan raised money for our children's charities with "Tooney Tuesday".

### Fill a Jar....

We filled jars with goodies to raise money for purchasing summer toys for Juliette's House.

We brought the books we have read to share our love of reading with others, while raising money.

Susan looked after our monthly raffle of items donated by RWTO members.

### 50/50 Draw

Every luncheon, Isabel looked after our 50/50 Draw for our members. Those with the lucky ticket shared a portion of the money collected and the rest was part of our fundraising effort for various charities.

### Special Project

We worked on knitting and crocheting squares for the making of many quilts that Carol put together.

## Outreach

We supplied back packs and school supplies as well as sporting equipment for the young people residing at Juliette's Place in Scarborough.

As part of our motto of "caring and sharing", we are always looking for volunteers to phone or visit our shut-ins, the elderly or those with health issues....maybe a hospital or home visit. Some members may help by driving ladies who need a ride to the luncheon.

## Golf Tournament

We donated money to the RTO District 24 Golf Tournament in support of the "Breakfast for Kids" program in Scarborough and East York schools.

We now have an RWTO Scarborough Branch E-Newsletter .This helps those who are away or unable to come to the luncheon to keep in touch.

## Autism Association

We donated money to the Autism Association and several of our members prepared goodies and took on the role of elves at the Christmas Party for the kids.

## Plant Sale

We brought our plants to the May luncheon to share with other gardeners in our group.
